

Spray Tanning

Have a professionally applied Sienna X Spray Tan in the privacy of our basement treatment room. You'll get a gorgeous, bronzed, spray tan that looks great on both Men and Woman.

A 24 hour patch test may be required before a spray tan.

Waxing/Hair Removal

Waxing is far more effective than shaving as it removes the hair from the roots. After your first wax, the results can last for 4 to 6 weeks.

----------	-----	--------

Shellac & Shellac Luxe (finger or toe nails)

Say good-bye to chips and smudges and say hello to CND's U.V. Cured Power Polish. Shellac combines the ease of polish with incomparable high gloss shine and with a little care and attention should last for 14 days and more! Although incredibly hard wearing Shellac is not indestructible. Please remember to wear gloves while doing tough jobs like household cleaning and gardening. Harsh cleaning products and some household chemicals can also damage your Shellac.

Prices shown includes a file and shape.
